READ AND ANSWER THE QUESTIONS

My name is Harry. I'm from England. I live in Liverpool. I'm eleven years old. My birthday is on 28th July. I've got a brother and a sister. My brother is fifteen and my sister is nine. My mum is forty-two and she works in a hospital as a nurse. My dad is forty-five and he is a firefighter. I'm a student. I go to school from Monday to Friday, from 8 o'clock a.m. to 4 o'clock p.m.

I get up at 7 o'clock in the morning. I wash my face, I put on my clothes.

Then I have breakfast: I eat milk and cereal and I drink orange juice.

I go to school at 7:45. I usually go to school on foot, school isn't far from my house.

My favourite subjects are History, P.E. and Art. I think that Science is interesting. I don't like Maths and Geography. I can play the guitar, the Music lesson is on Monday at 11 o'clock. I like music and I like school!

I don't like playing football but I like playing basketball with my friends.

I like watching films, too.
